SUMMARY

Results-driven Java Developer & Full Stack Intern with hands-on experience in building scalable web applications using Java, SQL, HTML, CSS and JavaScript . Proficient in OOPs, JDBC , Exception Handling , and CRUD operations with a focus on writing clean, modular, and efficient code . Strong problem solving skills with a passion for Data Structures and Algorithms, hackathons , and continuous learning.

EDUCATION

- **Sri Venkateswara College of Engineering and Technology** — Chittoor, India
  Bachelor of Technology–CSE (AI & ML); CGPA: 8.8   *2022 − 2026*
- **Nucleus Junior College** — Nandyal, India
  Intermediate–MPC; Percentage: 9 7 %   *2020 − 2022*
- **Mother Model School** — OWK, India
  SSC; Percentage: 100 %   *2016 − 2020*

SKILLS

- **Languages**: Java (Advanced) , Python (Intermediate) , C (Intermediate)
- **Tools & Platforms**: Git , VS Code , MS Office
- **Web Technologies**: HTML, CSS, JavaScript, SQL
- **Soft Skills**: Leadership, Event Management, Public Speaking, Time Management, Problem Solving

EXPERIENCE

- **Java Development Intern**
  Code Tech IT Solutions – Remote   *July 2025 − Present*
  - Implemented Java fundamentals with focus on OOPs, Exception Handling, and File Handling.
  - Built mini-projects such as a Quiz Game using Java. Gained hands-on experience in writing clean, modular code with proper documentation.
  - Understood real-time software development lifecycle including basic version control with Git and debugging techniques
  - Learned to structure programs for scalability, reusability, and readability.

- **Full Stack Java Intern**
  Skill Dzire– Remote   *April 2024 − June 2024*
  - Completed a Full Stack Java Development Internship with 90% accuracy, working on backend (Java) and frontend (HTML, CSS, JavaScript) .
  - Built and deployed responsive web pages with error-free functionality and cross-browser compatibility.
  - Gained strong understanding of frontend – backend interaction, ensuring 100% completion of training projects.

PROJECTS

- **Quiz Game**   **CORE JAVA | HTML | CSS**
  - Developed a console-based quiz application in Java with an added user login system using username and password validation.
  - Displayed multiple choice questions, accepted user input and validated answers.
  - Implemented dynamic score calculation with features such as score display after completion and error handling for invalid inputs.

- **Student Management System**   **CORE JAVA | HTML | CSS**
  - *Built a Java-based application to manage student records with full CRUD functionality integrated using MySQL database.*
  - *Utilized JDBC API to connect and interact with a relational database for persistent storage and retrieval.*
  - *Created an interface to add, view, search, and delete data.*

ACHIEVEMENTS

- **Aptitude**   - Participated in Naukri Campus AINAT 2025
- **Innovation -** Engaged in Vultr Cloud Innovate Hackathon 2024

CERTIFICATIONS

- **DSA JAVA**   **:** By Infosys SpringBoard
- **JAVA(Basic)**   **:** By HackerRank
- **HTML & CSS Fundamentals** **:** By W3Cx
- **SQL(Basic)**   **:** By Infosys SpringBoard
